CHRISTMAS CHEER AT THE SWCS

The festive season brought some Christmas cheer to the December meeting of the SWCS. The meeting was adorned with a Christmas tree and we were even treated to home-baked Christmas cookies. Our appreciation and thanks go out to Doreen Fleet and Betty Zmija for the baking.

TREASURER'S REPORT - Bob Zmija

Bob updated us on our membership numbers and financial status. In less than a year the SWCS has grown to 34 members while our financial assets amount to \$190. With 1998 just around the corner the time to renew your membership is coming. If you pay your dues by the end of January the cost is \$12 while a family membership can be had for a mere \$15. One further note, the much anticipated SWCS inaugural year medals are still coming...

WHAT TO WATCH FOR IN 1998

A number of plans are in the works for the coming year. Investigation has already been made into a location to hold a SWCS banquet some time around April. Bob has also made some strides towards organizing a coin show in a local mall. A promotional event such as this in a mall should build some momentum for the SWCS as well as a proposed SWCS coin show. While the idea of the coin show is still on the drawing board we have already been offered space at the Wellington Museum. The Museum is very excited about their building being depicted on the reverse of our first medal and have offered space at a very nominal charge. Bob also displayed some coloured specimens of our logo which could be reproduced in the form of an embroidered patch. Stop by the Treasurer's table at the next meeting to share your input on this badge.
